With the coming of the space age, it is becoming more and more difficult to find an ideal paradise of one's dreams.

We, the Cardinal Staff feel that the South Seas with its towering mountains, blue waters, and colorful people with exotic customs comes closest to fulfilling this dream.

This primitive paradise is one of the few places untouched by automation, where life is simple yet fulfilling.

We hope that each and everyone will find his own **UTOPIA**.

We Dedicate the '63 Cardinal

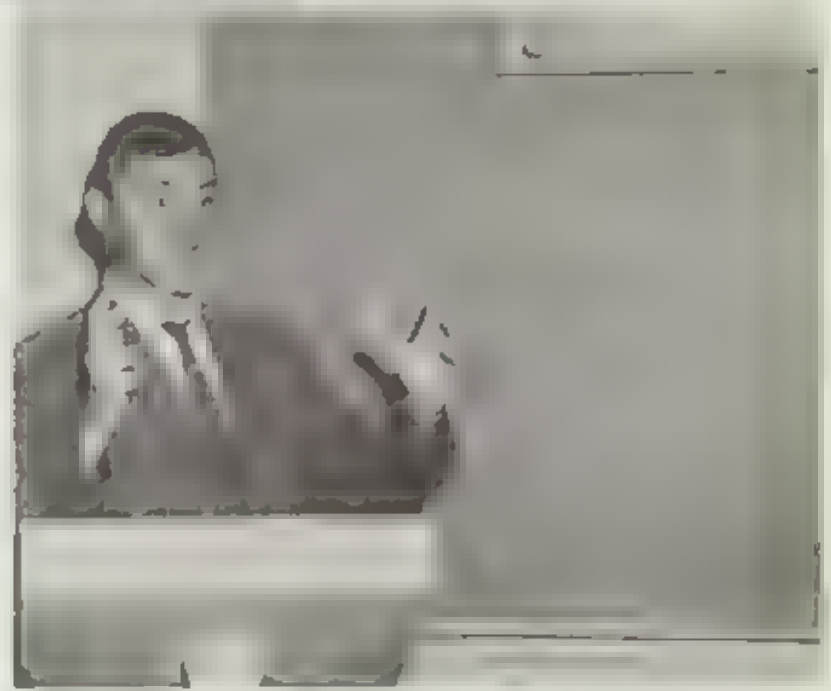

To Mr. Chudleigh Long

Play it, man!

Get up there ... you ... !

Amen!

The 1962-63 Cardinal is honored to dedicate this annual to a man who has contributed much to the furthering of education at Covina High School.

He was born and raised in Philadelphia, Pennsylvania. He attended high school at Episcopal Academy, in that same city and then served in the Navy during World War II. After the war, he received his degree from Wesleyan University Ohio, his major being English, his minor History.

He taught his first year in Ohio, and his second in Colorado. After teaching at Pasadena High School for two years, he came to Covina where he has taught English for six years.

He lives in Glendora with his wife Lorena and his four daughters, Melinda, Lani, Lori, and Lisa. He enjoys reading, sailing, folk music, and banjo playing.

We, the Cardinal Staff, dedicate this book to our own five-fingered banjo player, Mr. Chudleigh Long.

Dr. Eugene E. Kelly

A.B., M.A., Ed.D., Colorado State College

This is the second year at Covina High for our new principal, Dr. Kelly. His general personality and enthusiasm is reflected in the excellent spirit of our school. His keen interest in providing the best possible educational program for each student has helped us attain a higher level of accomplishment in our academic work, while his cooperation with us in student body activities has helped us attain a more mature participation. We, the students, look forward to an even better Covina High by working with such a conscientious leader. Good luck, Dr. Kelly

The real proof of leadership is in the excellence of the staff. Mr Nottingham, vice principal for instruction, who works for the development of better facilities and ways of teaching and Miss Linsdell, vice principal for counseling and student affairs have contributed much to improving the ways in which the school helps us

Mr. Haven, Dean of Boys and student body advisor and Miss Key Dean of Girls have helped us over many a difficult problem by their mature guidance and warm understanding.

District Administration

Above all other positions in the high school district are those of the district administrators. They plan the adult education program, approve all campus activities, and sanction the various expenditures of money. Their duties also include the screening and initial selection of school faculty and personnel, appropriating funds for the operation of the school, and supervising the curriculum for the education of many thousands of students in the district.

Through many hard years, the district administrators have striven for success to promote betterment of our school and the other schools in the district. To our District Administration we owe our deepest thanks and appreciation for a job well done.

As most Covina High Students know, the CARDINAL is a year long project. The Staff works during the summer, before and after school, and during G.H.R. Period as well as during the assigned class period. There have been a number of changes this year. The price has been reduced from \$5.50 to \$4.50 so that more students could afford to purchase the book.

Cardinal

The Cardinal and White, the eight page newspaper published bi-monthly, was responsible for keeping the student body informed of all activities on campus. Hard work, after school hours, effort, and the direction of advisor Mr. Roche and Editor Jill Ellings, went into making the C&W a top-notch paper.

In order for the paper to operate with systematic timeliness, organization was the key. Each editor was in charge of a special section. Responsible for the front page and news coverage was Phyllis Heffner, who took care of all the spot coverage and stories of direct news

Girls attending Covina High automatically become members of the Girls' League which helps to instill school spirit, friendliness, loyalty to the school and an active interest in school affairs. Girls' Leagues' many activities include the Motto of the Year contest, the All Girl Review, Thanksgiving and Christmas projects, the Valentine Ball, and the Senior Mother's Tea.

Two representatives are elected from each class by the girls of CHS along with a president, vice-president, secretary, treasurer and assistant treasurer. This year because of a tie vote, however, there were two co-presidents. In addition to the elected board there are twenty appointed officers to carry on the vast amount of work done by the Girls' League.

Outstanding upperclassmen were chosen for the club who devoted their joint efforts in improving the appearance of the Covina High campus. In accomplishing this worthwhile objective of the club such projects as repainting the campus trash cans, and furnishing a guide map of the campus layout for the convenience of the student body. The Esquires also helped co-sponsor the all-service-club dance at the beginning of the year, and sold red hats both to raise needed funds and to promote school spirit

Alcyonians

The first and most popular girl's service club on campus is the Alcyonians. Activities of the club included decorating the goal posts at games, sponsoring a yearly dance, holding a tea, decorating and serving at sports' banquets and changing the school bulletin boards regularly.

As special service projects in the community they made gifts for the program's hospital, donated flowers to the hospital every week, and gave baskets of food to needy families on holidays.

As some of their money projects they sold programs at games and also cardinal covers towards the end of the second semester. They also put on the annual homecoming rally and served as guides for various school functions.

The purpose of Alcyonians is to encourage school spirit, to develop the character of the club members, to serve the school unselfishly and to set a good example of conduct.

Seraphs

Seraphs are members of the boys' service club for Freshmen, Sophomores, and Juniors. The Seraphs strive to promote school spirit and good conduct, and to serve the school unselfishly in any way they can. To achieve these objectives the club ushered at rallies, parked cars at football games, enforced the white section, covered identification cards in plastic, and helped sponsor the all-service club dance at the beginning of the year. In addition, they also sold hats and programs at games. A high record of citizenship and a good scholastic standing are required for admittance into the club.

Masque and Dagger gives interested students an opportunity to participate in dramatic activities. During the year the club prepared a program of one-act plays for a presentation assembly before student audiences. This provided practical stage experience for each member, allowing individual self expression through drama.

Thespians

The freshman-sophomore dramatic club, Thespians, also participated along with Masque and Dagger, in staging the performance of 1-act plays for student audience entertainment. Any freshman or sophomore grade student interested in dramatic activities was welcome to join Thespians. The club offers a medium for experience and opportunity in the dramatic arts.

Bee Football

Coach Moore and assistant Coach De Weese were extremely enthusiastic coaches.

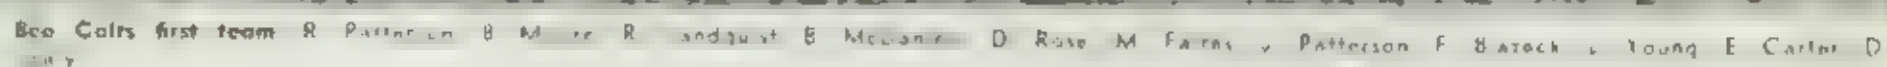

The Bees offense was powerful as they averaged over four touchdowns per game.

Larry Young and Rick Sandquist were the Bee captains.

The Bees were by far the top team in their league. They not only won the league championship but they did so without being beaten or even tied. A terrific balance between their powerful offense and their bruising defense was the key to success. Coach Moore assisted by Coach De Weese were all factors in their victorious season. Frank Blazeck, chosen most valuable and Don Smith, chosen most improved, were only two of the Bees many fine football players. Many of this years team will move up to varsity next year which will help strengthen that squad.

It established an all-time record for number of wins, 28, an all-time record for consecutive wins, 28, as well as the only time in Covina's history that the basketball team went undefeated through the regular season. The Colt's won the Arroyo Tournament, the Covina Tournament, and the League title. After winning their first C.I.F. game, the top seeded Colt's lost a narrow decision to San Bernardino by a score of 49-47. This was the only loss to mar their fabulous record. Senior Class Council

Most of the time the main business of the Senior Class was, of course, the senior class. Besides planning the party, the council was supposed to do the work through service.

A major project of the council was making certain improvements in the senior class. This was sponsored by the principal and the council was concentrating first on the senior class activities. Starting with the senior class, they planned the Senior Mothers Tea, the Senior Prom, Commencement and Baccalaureate, ending with the traditional All-Night Party.
